

a green home in every color

devinegreen

devinegreen Breathable Wall Finish™ is the only 99.9% VOC-Free (Volatile Organic Compound) paint that is eco-friendly AND goes on like rich yogurt. Like all Devine Color finishes, **devinegreen**™ will leave its users wanting more walls to paint.

The **devinegreen**™ Breathable Wall Finish has a natural matte finish that resembles Egyptian cotton. The VOC's have been taken out but all of the rich yogurt has been left in, so you get the same Devine Color quality without the unnecessary additives.

Brush it, roll it, spray it, **devinegreen**™ is a water-based latex paint that is easy to clean. Washable and durable, **devinegreen**™ is suitable for any room in the home or business.

Specification figures should be taken as accurate for products being produced at the time of publication in untinted white bases only. Formulation improvements may be made from time to time that may affect these figures to some degree. Manufacturing tolerance of +/-2% are considered acceptable. Whenever a change is made that the Manufacturer considers substantial, the specifications will be revised.
